Saladmaster Cooking 4 Life Wins 2015 Healthiest Business of the Year Award

Saladmaster Authorized Dealership, Cooking 4 Life in California, was presented with the 2015 Healthiest Business of the Year Award on Saturday, June 13 as a part of the North San Diego Business Chamber's 2015 Celebration of Business Awards, which celebrates the best and brightest of San Diego County's business community.

Scott and Melissa Currey, who established Cooking 4 Life in 2006 and have achieved Master Dealer status four times since the dealership's inception, were honored to receive this award. "We at Cooking 4 Life are grateful for the recognition for the many years of hard work of bringing health consciousness to the many lives we touch."

To highlight achievements in corporate and individual categories, the Business Achievement Awards were presented in eight prestigious categories, including Healthiest Business of the Year. Winners were selected by a panel of five judges from The San Diego Union Tribune, San Diego Metro, Pomerado News, KUSI and Z Code Magazine. As described by the North San Diego Business Chamber, the event is a true celebration of doing business successfully, doing business responsibly, and doing business in the spirit of San Diego North.
