Descripción de la Receta:

Bola-Bola, or sweet and sour meatballs, is a favorite Asian-style dish. Make these large meatballs with beef or a combination of ground meats. Chunks of pineapple, pepper, carrots and onions are tossed with a delicious sauce that coats the meatballs. Serve it with steamed jasmine or basmati rice.

Use the 12 in. Electric Oil Core Skillet cover with your 12 in. Chef's Gourmet Skillet.

1. In a large bowl, mix together
sliced all meatball ingredients.
2. Roll mixture into 2 inch (5 cm) sized balls and set aside.
3. Preheat skillet over medium heat. When several drops of
water sprinkled in skillet skitter and dissipate, approximately 5
- 7 minutes, add half of the meatballs and place 12 in. Electric
Oil Core Skillet cover slightly ajar on skillet.
4. Cook for about 2 - 3 minutes on each side until browned,
about 6 - 9 minutes total cooking time. Remove meatballs
from skillet and set aside. Cook remaining meatballs in the
same way.
5. To make the sauce, add onions and peppers to skillet. Place
cover slightly ajar on skillet and sauté 5 - 7 minutes, stirring
occasionally during cooking.
6. Add carrots and garlic and continue to cook for 3 - 5 minutes.
7. In a small bowl, mix together ketchup, vinegar, pineapple
juice, water and tamari. Add arrowroot powder to liquid and
whisk together to combine.
8. Place cooked meatballs in skillet and pour sauce mixture over
top. Cover.
9. When Vapo-Valve™ begins to click steadily, reduce heat to
low and cook for 5 minutes.
10. Serve hot and garnish with minced scallions.

Consejos:

- When browning meatballs, don't worry if meatballs are not
completely cooked as they will finish cooking in sauce.
- Substitute pork or beef for ground turkey or ground chicken.
- If pineapple chunks in juice are not available, drain liquid from
canned pineapple and replace with 1 cup of pineapple juice.
