Saladmaster summer recipes for indoor and outdoor grilling

Don't let a dry heat wave or rain ruin your summer cookout! No matter the weather, now you can enjoy safely grilling your favorite foods indoors or outdoors with the Saladmaster Smokeless Broiler. There is no worry about flames or smoke getting out of control, which means less time standing over a hot grill and more time with friends and family. Simply pour a little water into the broiler pan and then plug in for grilling indoors or outdoors, anytime of the year.
